

You care. Do something. We'll help.

Build a vermicompost bin.

Revitalize a community garden.

Help conserve, protect & improve Chicago's environment!

Explore!
Environmental Service

Fall into Service with the Chicago Conservation Corps!

Join other Chicagoans actively working to improve the environment at more than 50 environmental service projects throughout Chicago in September & October.

Care about open space, clean air, water and energy efficiency? Get your hands dirty at a garden workday, your feet wet at a river cleanup or learn energy conservation and clean air tips for your home.

Explore the full list of Fall into Service events and programs at: www.cityofchicago.org/Environment/C3 (click on "Join a Project") or call (312) 743-9283.

Participate in a beach cleanup.

Volunteer for a restoration workday.

Weatherize to save energy.

Conserve water, build a rain barrel.

Take the Lead!

Participate in our Fall Environmental Leadership Training!

Learn from environmental experts during our five-week training course, then develop and lead an environmental service project in your community with support and materials from the Chicago Conservation Corps. Attend an orientation in September to learn more. For details, visit www.cityofchicago.org/Environment/C3 and click on "Take the Lead" or call (312) 743-9283 for more information.

Richard M. Daley
Mayor
City of Chicago

Sadhu A. Johnston
Commissioner

Chicago Conservation Corps (C3) is the environmental volunteer program of the City of Chicago in collaboration with partners across the city.
