

Congregation Fair Trade Pledge!

*We join in the CRLN “Campaign for 100 Fair Trade Congregations”!
We pledge to be a Fair Trade Congregation through the following steps.*

We will:

Brew & Serve 100% Fair Trade:

Our congregation commits to brew fair trade certified coffee, tea & cocoa at all congregational functions and events, as well as in the congregational office.

Educate Our Members About Our Fair Trade Commitment:

*Our congregation commits to educate its members about our commitment to certified fair trade.
We will:*

- ✓ *Post the Certified Fair Trade Label at all coffee pots;*
- ✓ *Place postcards at each coffeemaker with fair trade coffee facts and fair trade purchase locations in our community;*
- ✓ *Include a Fair Trade info and in our membership orientation materials;*
- ✓ *Hold periodic adult education classes or workshops about fair trade.*

Seek Membership Commitments to Fair Trade:

*Our congregation will ask our members to make a personal pledge to buy certified Fair Trade coffee for consumption at home using a “My Pledge to Fair Trade” commitment card.
We will invite our members to seek fair trade products in their workplace.*

Educate the Community about our Fair Trade Commitment:

Our congregation will educate the broader community about Fair Trade by sending a press release to our denominational newspaper announcing our congregations Fair Trade commitment. We will send a similar press release to our community newspapers.

Promote Fair Trade Products in our Community:

Our congregation will ask our members to visit local stores, cafes, and restaurants requesting personal visits with managers and customer service cards to ask that they carry a full range of fair trade certified coffee, cocoa and tea.

Make All Trade Fair Trade:

Our congregation commits to educate and advocate for global trade relationships that assure human dignity, environmental integrity, and sustainable communities.
